1.01 Recitals. The Parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

1.02

Definitions.

a) “Children known to the Department” means children who are “found to be dependent” as defined in Section 39.01(15), Florida Statutes, or children in shelter care. For the purposes of this Agreement children known to the department refers to children known to the DCF or its contracted provider, ChildNet.

b) “Parent” means either or both parents of a student, any guardian of a student, any person in a parental relationship to a student, or any person exercising supervisory authority over a student in place of a parent.

c) “Children Awaiting Placement” shall mean children known to the department who have been involuntarily removed from the care of their parents and who have not been placed with a relative or in foster care pursuant to the entry of an Order of Adjudication of Dependency and a Disposition Order, entered after an evidentiary adjudication hearing. Pursuant to section 39.507 (1)(a), Florida Statutes, the adjudicatory hearing must take place as soon as practicable after the petition for dependency is filed and in accordance with the Florida rules of Juvenile Procedure, but no later than 30 days after arraignment. Pursuant section 39.507 (8), Florida Statutes; the court shall schedule the disposition hearing within 30 days after the last day of the adjudicatory hearing. In interpreting the phrase “awaiting placement,” the Parties are guided by the definition of “foster care” in 45 CFR 1355.20, which provides that foster care means 24-hour substitute care for children placed away from their parents and for whom the State agency has placement and care responsibility.

d) “Surrogate Parent” means an individual appointed to act in the place of a parent in educational decision-making and in safeguarding a student’s rights under the Individuals with Disabilities Education Act (“IDEA”).

1) When a child is adjudicated dependent and is placed in out-of-home care and has been determined to be eligible to receive services or as potentially eligible to receive services under IDEA or 504 of the Americans with Disabilities Act (ADA) the foster parent or other caretaker may serve as the parent for educational purposes, if a parent is unknown, if the parent’s whereabouts cannot be discovered, or if the parent is prohibited by the court from being involved in the child’s education and there are no more than four children in the home. If there are more than four children in the home, the foster parent may remain actively involved but a Surrogate Parent, as defined in IDEA must be appointed for:

- a) students whose parents’ whereabouts or identities are unknown;
- b) students for whom the court has terminated the parent’s rights; and
- c) children, as determined on a case-by-case basis, who are entitled by law.

2) When a student has been determined to be eligible to receive services or as is perceived as potentially eligible to receive services under IDEA or 504 of the ADA and is in a residential program, including specialized therapeutic foster care, a surrogate must be appointed for:

- a) students whose parents’ whereabouts or identities are unknown;

- b) students for whom the courts has terminated the parent(s)' rights; and
 - c) children, as determined on a case-by-case basis, who are entitled by law to a surrogate but who do not fit the criteria for children identified in subsection (d)(2)(a) or (b).
- 3) If a natural parent/guardian is known, his/her whereabouts have been determined, and a court has not prohibited the parent's right to make educational decisions for the child, the parent/guardian maintains the right and responsibility to represent the child in educational decisions.
- e) "Homeless individual/student/person" under 42 USC §11302 of the McKinney-Vento Act, includes individuals who lacks a fixed, regular, and adequate nighttime residence and individuals who have a primary nighttime residence that is:
 - 1) a supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill);
 - 2) an institution that provides a temporary residence for individuals intended to be institutionalized; or
 - 3) a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings.

It is intended that parents/guardians, and students have the rights of access, challenge, and privacy with respect to educational records and reports, and that there will be strict adherence to all applicable laws and regulations pertaining to those rights. Pursuant to Title 20 USC §1232g, an educational agency or institution has up to 45 days in which to comply with parental request to review or inspect student records however, state law mandates compliance within 30 days;

h) share, to the fullest extent permissible and in compliance with federal law, Florida Statutes and Administrative Rules, including but not limited to Chapter 39, Florida Statutes and section 1002.22, Florida Statutes, relevant information relative to the students known to the department as would be pertinent to their educational growth, including post-secondary pursuits, job training, employment, and other benefit; and acknowledge that it may be necessary to restrict information sharing due to statutory prohibitions other than those enunciated in section 39.202, Florida Statutes. However, the school board, in its discretion, may consider providing transportation consistent with the best interest of the child, until the end of the grading period during which the Disposition Order was entered. Such discretion shall be exercised by the school board or its designee in accordance with School Board Policy.

Within three business days of receipt, approval or denial of request for McKinney-Vento transportation shall be determined by the district/liaison/designee, and reported to the assigned dependency case manager. For students with an Individual Education Plan

(IEP), the plan will be used to determine suitability for such transportation services in conjunction with the IEP Team.

For children known to the department who are not eligible for services under the McKinney-Vento Act, as provided above, the school board will determine whether transportation is available when such transportation will avoid a change in school assignment due to a change in residential placement. Recognizing that continued enrollment in the same school throughout the time the child is known to the department is in out of home care is preferable unless enrollment in the same school would be unsafe or otherwise impractical, the department and the school board shall assess that availability of federal, charitable, or grant funding for such transportation, as required by Section 39.0016 (2)(b)2.c., Florida Statutes; and
