MEMORANDUM

TO: District School Superintendents

FROM: Suzanne Pridgeon 

DATE: June 26, 2023

SUBJECT: **Reallocation and Restoration Calculations for 2022-23 Class Size Operating Categorical Program**

The Commissioner of Education's alternate compliance calculation was adopted by the 2023 Florida Legislature with the enactment of section 20 within [Chapter 2023-239, Laws of Florida \(L.O.F.\)](#). Attached are the summaries of the final adjustments to class size operating categorical allocations required by [section \(s.\) 1003.03\(4\), Florida Statutes \(F.S.\)](#). These adjustments will be incorporated into the June 26, 2023, electronic funds transfers to school districts.

The adjustments include the reallocation and restoration of class size operating funds. Pursuant to s. 1003.03(4)(d), F.S., the reallocation to districts and charter schools that were in compliance with class size requirements was derived by multiplying up to 5 percent of the Base Student Allocation by the total district full-time equivalent students, not to exceed 25 percent of the reduction. The remaining balance of the reduction funds was restored to districts and charter schools that were out of compliance with class size requirements, but submitted a certified plan by February 1, 2023, explaining the actions they planned to take to ensure compliance by October 2023, pursuant to s. 1003.03(4)(e), F.S.

If you have questions regarding this memorandum, please call the Office of Funding and Financial Reporting at 850-245-0405.

1. Pursuant to s. 1003.03(4)(d), F.S., the commissioner must prepare a reallocation of the funds made available for the charter schools that have fully met the class size requirements. The funds shall be reallocated by calculating an amount of up to 5 percent of the base student allocation multiplied by the total charter school's FTE students. The reallocation total may not exceed 25 percent of the total funds reduced.

2. Pursuant to s. 1003.03(4)(e), F.S., for charter schools that submit to the commissioner by February 1 a plan certified by the charter school board, the funds remaining after the reallocation shall be added back to the district's class size categorical allocation based on each qualifying charter school's proportion of the total reduction for all qualifying charter schools for which a reduction was calculated.
