The John M. McKay Scholarship for Students with Disabilities Program, commonly known as the McKay Scholarship Program, is a school choice option that may be available to public school students with IEP's or 504 Plans. This program was created to provide educational options to parents of students with disabilities. Currently, more than 30,000 Florida students are participating in this program. By participating in the McKay Scholarship Program, your student may be able to attend a different public school in your district, attend a public school in an adjacent district, or receive a scholarship to attend a participating private school.

To be eligible for the McKay Scholarship Program, a student must:

- Apply for the program **prior** to withdrawing from public school.
 - Have an Individual Education Plan (IEP), or 504 Accommodation Plan issued under s. 504 of the Rehabilitation Act of 1973 (with duration of more than six months),
- and**
- Have been enrolled and reported for funding in a Florida public school for the school year **prior** to applying for a scholarship (Grades K-12); **or**
 - Have been a pre-kindergarten student who was enrolled and reported for funding in a Florida public school during the school year prior to applying for a scholarship; **or**
 - Have received specialized instructional services under the Voluntary Prekindergarten Education Program from an approved provider pursuant to s. 1002.66 during the previous school year; **or**
 - Have attended the Florida School for the Deaf and the Blind during the preceding school year's student membership surveys (Grades K-12).

McKay Public School Option students may receive transportation, consistent with their school district's Choice Programs, regardless of their proximity to the Choice school. Parents must provide transportation to the closest bus stop in order to be eligible. Bus stops will only be available within the Choice Transportation Zone for each school and additional stops will not be created. If a student requires an ESE bus as stated on their IEP, then the school of Choice must be within 10 miles from their home.
